Chime Master Systems

Dear Jeff,

I wanted to write and thank you, again, for the wonderful evening of unique entertainment in our Display Garden.

As part of our new Garden Concerts series, we were looking for atypical music to set us apart from the area community park concerts, especially for our opening night. The carillon and it's music certainly fit the bill, filling the garden with beautiful music as nearly 150 guests enjoyed picnic snacks and beverages.

Thank you, too, for providing suggestions of carillonneurs for our consideration. We are fortunate to have George in our area and I know that some of our new visitors for that evening were from his congregation.

I'm looking forward to listening to my Christmas chimes cd over the holidays and fondly remembering that warm summer night in the Holden garden with the lilting sounds that brought joy to many.

Please feel free to share this letter as an endorsement for others who may be considering hosting the Mobile Millennium Carillon.

We're looking forward to having you, Chris and the carillon back for future garden concerts. We'll be in touch.

Sincerely

*Peg*
