Dear Jeff,

Thank you for your participation in the 2009 Guild of Carilloners in North America Congress held at Longwood Gardens. Our guests certainly were intrigued by this incredible mobile carillon, as the presence of the instrument drew crowds of visitors while it was stationed outside Longwood's Conservatory. The event captivated guests ranging in age from children to senior citizens and generated a buzz of fascination in the gardens.

Allowing visiting carilloners and garden guests to try out the mobile instrument was also a big success. The Carillon attracted curious visitors and created a memorable interactive experience for musicians and spectators.

As Longwood Gardens strive for new and innovative programming, we look forward to inviting you back for a future performance that will engage our diverse audiences.

Sincerely,

Emily Moody
